

October 2018

Dear Applicant,

I am delighted you are interested in joining the team at Aurora New Dawn. In this pack you will find all you need to begin the process of applying for the position of **Stalking Advocate**.

Aurora New Dawn is a voluntary sector organisation working within Portsmouth, Southampton and wider Hampshire, providing support to people experiencing domestic abuse and sexual violence.

Aurora offers a client-led service focusing on individual safety, advocacy and empowerment. Aurora is a feminist led organisation that firmly believes everybody has the right to live their lives free from violence and abuse and that the responsibility for abusive behaviour lies with those who perpetrate it. We seek to raise awareness of the issues of domestic abuse and sexual violence within local communities.

If you share our beliefs and have the necessary skills to fulfil the job description we would very much like to hear from you. I have pleasure in enclosing:

- Job Description
- Person Specification
- Diversity Monitoring Form

Applications should be in the form of a letter, sent by email to info@aurorand.org.uk, detailing why you think you are suitable for the post. Please put 'Stalking Advocate application' in the subject line and return your completed diversity monitoring form with your letter.

The deadline for all applications is **9.00am on Wednesday 31st October 2018**. You are advised to read the job description and person specification carefully as the decision to shortlist you for interview will be based solely on the information you provide in your letter.

To save on administration costs we are not able to contact you if you are not selected for interview, but I would like to take the opportunity to thank you for your interest in our work.

Best Wishes,

Shonagh Dillon
